

Contents

Chapter 1. Introduction	1
1.1. Overview	1
Chapter 2. Preliminaries	5
2.1. Notation	5
2.2. Basic Facts and Definitions	6
Chapter 3. Vaughtian Pairs	13
Chapter 4. Dictionaric Type Spaces	17
4.1. Definition and Characterization	17
4.2. Properties of Dictionaric Type Spaces	19
4.3. ω -Stable Theories are Dictionaric	24
Chapter 5. Inseparably Categorical Theories with Strongly Minimal Sets	27
5.1. (Strongly) Minimal Sets	27
5.2. A Partial Baldwin-Lachlan Characterization	52
5.3. The Number of Separable Models	59
5.4. Counterexamples Involving Strongly Minimal Sets	62
Chapter 6. Inseparably Categorical Expansions of Banach Space	69
6.1. Banach Theory Background	69
6.2. Asymptotically Hilbertian Spaces Do Not Interpret a Strongly Minimal Set	72
6.3. Indiscernible Subspaces	72
6.4. Minimal Wide Types	74
6.5. Banach Theory Counterexamples	77
Bibliography	87
