

Contents

Chapter 1. Introduction	1
Chapter 2. Bounds for surfaces of general type	5
2.1. Fibrations induced by G -invariant or G -fixed pencils	6
2.2. Bounds from G -invariant and G -fixed pencils	8
2.3. Construction of G -invariant and G -fixed pencils	21
Chapter 3. Bounds for fibred surfaces	27
3.1. Technical preparation	29
3.2. Constant moduli case	34
3.3. Variant moduli case	38
Chapter 4. Examples and Discussions	93
Appendix A. Abelian automorphisms of curves	97
Bibliography	103
