| Preface | xi |
| Preface to the First Edition | xv |
| I FOUNDATIONS | 1 |
| 1 The Labor Market | 3 |
| 1.1 Trade in the Labor Market | 3 |
| 1.2 Job Creation | 10 |
| 1.3 Workers | 13 |
| 1.4 Wage Determination | 15 |
| 1.5 Steady-State Equilibrium | 18 |
| 1.6 Capital | 23 |
| 1.7 Out-of-Steady-State Dynamics | 26 |
| 1.8 Notes on the Literature | 33 |
| 2 Endogenous Job Destruction | 37 |
| 2.1 Productivity Shocks and Reservation Rules | 37 |
| 2.2 Steady-State Equilibrium | 40 |
| 2.3 Unemployment, Job Creation, and Job Destruction | 46 |
| 2.4 Capital | 57 |
| 2.5 Out-of-Steady-State Dynamics | 59 |
| 2.6 Notes on the Literature | 63 |
| 3 Long-Run Equilibrium and Balanced Growth | 67 |
| 3.1 Large Firms | 68 |
| 3.2 Unemployment Income | 70 |
| 3.3 Technological Progress: The Capitalization Effect | 75 |
| 3.4 Endogenous Capital and Interest | 77 |
| 3.5 Creative Job Destruction | 82 |
| 3.6 Notes on the Literature | 89 |
| II FURTHER ANALYSIS OF THE LABOR MARKET | 93 |
| 4 Labor Turnover and On-the-Job Search | 95 |
| 4.1 Exogenous Labor Turnover | 95 |
| 4.2 Search on the Job | 103 |
| 4.3 Equilibrium | 109 |
| 4.4 The Implications of On-the-Job Search for Equilibrium | 114 |

| | | |
|------------|--|------------|
| 4.5 | The Implications of Higher Labor Productivity | 119 |
| 4.6 | Notes on the Literature | 120 |
| 5 | Search Intensity and Job Advertising | 123 |
| 5.1 | The Matching Technology with Variable Intensity | 124 |
| 5.2 | The Choice of Search Intensity | 126 |
| 5.3 | The Choice of Job Advertising | 129 |
| 5.4 | Equilibrium | 131 |
| 5.5 | Unemployment and Search Intensity | 135 |
| 5.6 | Notes on the Literature | 141 |
| 6 | Stochastic Job Matchings | 145 |
| 6.1 | Job Matching | 146 |
| 6.2 | The Choice of Reservation Wage | 148 |
| 6.3 | The Choice of Hiring Standards | 152 |
| 6.4 | Wage Determination | 154 |
| 6.5 | Equilibrium | 156 |
| 6.6 | Unemployment and Vacancies with Stochastic Job Matchings | 160 |
| 6.7 | Notes on the Literature | 164 |
| 7 | Labor Force Participation and Hours of Work | 167 |
| 7.1 | Labor Force Participation | 167 |
| 7.2 | The Discouraged- and Added-Worker Effects | 170 |
| 7.3 | Hours of Work | 175 |
| 7.4 | Notes on the Literature | 179 |
| III | CONSTRAINED EFFICIENCY AND THE ROLE OF POLICY | 181 |
| 8 | Efficiency | 183 |
| 8.1 | Job Creation | 183 |
| 8.2 | Job Destruction | 188 |
| 8.3 | Search Intensity and Job Advertising | 190 |
| 8.4 | Stochastic Job Matchings | 195 |
| 8.5 | Labor-Force Participation | 196 |
| 8.6 | Three Questions about Efficiency | 197 |
| 8.7 | Notes on the Literature | 201 |

| | | |
|----------|---|-----|
| 9 | The Role of Policy | 205 |
| 9.1 | Policy Instruments | 205 |
| 9.2 | Wage Determination | 207 |
| 9.3 | Equilibrium with Policy | 212 |
| 9.4 | Job Destruction | 213 |
| 9.5 | Search Intensity | 219 |
| 9.6 | Stochastic Job Matchings | 222 |
| 9.7 | Compensating Policy Changes | 225 |
| 9.8 | Search Externalities and Policy | 229 |
| 9.9 | An Alternative Approach to the Design of Policy | 230 |
| 9.10 | Notes on the Literature | 233 |
| | Bibliography | 235 |
| | Index | 247 |
