<i>List of tables and figures</i>	xii
<i>List of abbreviations and symbols</i>	xiv
<i>Acknowledgements</i>	xvi
1 Approaches to the study of cleft and pseudo-cleft constructions	1
1.1 <i>Introduction</i>	1
1.2 <i>What are clefts and pseudo-clefts?</i>	1
1.3 <i>A functional perspective</i>	3
1.4 <i>Register</i>	6
1.5 <i>Structure of the book</i>	8
2 The database	10
2.1 <i>A corpus-based approach</i>	10
2.2 <i>The nature and composition of the database</i>	12
2.3 <i>Register characteristics of the database</i>	16
2.4 <i>Accessing the database</i>	25
3 Defining the class	26
3.1 <i>The class of pseudo-clefts</i>	26
3.1.1 <i>Wh-clefts and th-clefts</i>	29
3.1.2 <i>All-clefts</i>	32
3.2 <i>Clefts</i>	34
3.3 <i>Identification versus attribution</i>	37
3.4 <i>System deviance and incompleteness</i>	44
4 Formal properties	49
4.1 <i>Syntactic analyses</i>	49
4.2 <i>Highlighted elements: form and function</i>	54
4.3 <i>Semantic properties</i>	67

5	Communicative meanings	75
5.1	<i>Halliday's 'textual' component</i>	75
5.2	<i>Theme</i>	77
5.2.1	'Combiners' and 'separators'	77
5.2.2	Halliday on theme	79
5.2.3	Theme in pseudo-clefts and clefts	81
5.3	<i>Information</i>	85
5.3.1	The realization of information structure	86
5.3.2	The meaning of given and new information	91
5.3.3	Givenness and presupposition	93
5.3.4	Taxonomies of information	94
5.3.5	Givenness in clefts and pseudo-clefts	98
6	Communicative meanings in the corpus	117
6.1	<i>Basic pseudo-clefts</i>	117
6.1.1	Intonation and information	117
6.1.2	Informational classification of basic pseudo-clefts	121
6.1.3	Basic pseudo-clefts and theme–rheme structure	133
6.2	<i>Reversed pseudo-clefts</i>	139
6.2.1	Reference of highlighted element	139
6.2.2	Discourse functions of reversed pseudo-clefts	145
6.2.3	Reversed pseudo-clefts and theme–rheme structure	151
6.3	<i>Clefts</i>	154
6.3.1	Intonation and information	154
6.3.2	Clefts and information structure	158
6.3.3	Clefts and theme–rheme structure	170
7	Clefts, pseudo-clefts, and register variation	178
7.1	<i>Clefts and pseudo-clefts in speech and writing</i>	178
7.2	<i>Clefts and pseudo-clefts in spoken registers</i>	182
7.3	<i>Clefts and pseudo-clefts in written registers</i>	186
7.4	<i>Distribution of clefts and pseudo-clefts according to informational properties</i>	189
7.5	<i>Highlighted elements and register</i>	196
7.5.1	Explaining the correspondences	196
7.5.2	Distribution of clefts and pseudo-clefts according to highlighted element	199
7.6	<i>Clefts, pseudo-clefts, and word length</i>	203

8 Conclusion
