PREFACE .....	9
Part I	
<b>APPROACH TO PSYCHODYNAMICALLY BASED PSYCHOTHERAPY ...</b>	<b>19</b>
1. Nature and Goals of Treatment .....	21
The Goals of Treatment, 21 . . . Process, 28	
2. Attitudes of the Analyst .....	41
Intellectual Attitudes, 41 . . . Emotional Attitudes, 44	
3. Theoretical Base of Treatment .....	58
Genesis of Emotional Problems, 59 . . . The Child's Innate Needs, 60 . . . The Child's Relation to Others, 62 . . . Oedipal and Sibling Constellations, 63 . . . Conditioning Influences on the Child, 64 . . . Effects of Warping the Normal Drives, 65 . . . The Nuclear Pattern and the Adult's Experience, 66 . . . Sources of Individual Differences, 66 . . . Recent Progress in Psychoanalysis, 74 . . . The Basic Motivations, 79 . . . Application to Treatment, 81	
4. Psychodynamics and the Libido Theory	90
Part II	
<b>PRACTICE OF PSYCHODYNAMICALLY BASED PSYCHOTHERAPY ...</b>	<b>111</b>
5. Diagnosing the Nuclear Dynamics .....	113
Interview Material, 116 . . . Anamnestic Data, 116 . . . Conscious Emotional Attitudes, 122 . . . Unconscious Associative Data, 126 . . . Noninterview Material, 128 . . . Summary, 131	

6.	The First Interview .....	136
7.	A Diagnostic Interview .....	151
8.	Beginning Treatment .....	159
9.	Free Association .....	171
10.	Understanding Unconscious Material	188
11.	Dreams .....	198
	Latent Content, 200 . . . Manifest Content, 219 . . . The Ego and Unconscious Meanings, 228 . . . Summary, 230	
12.	Some Features of Conducting the Analysis .....	234
13.	Making Interpretations .....	253
	Understanding the Patient, 253 . . . Interpreting the Material, 255 . . . Timing Interpretations, 256 . . . General Principles of Interpretation, 259 . . . Some Examples—Some Cautions, 264	
14.	Mechanics .....	277
	Dynamics of the Couch, 278 . . . Duration of a Session, 293 . . . Extra-Analytic Meetings, 294	
15.	Some Further Practical Points .....	299
16.	Transference .....	305
17.	Countertransference .....	327
18.	Erotic Transference and Countertransference .....	332
19.	Sample Difficulties .....	341
	Interpersonal "Vicious Circles", 341 . . . Sexualization of the Transference, 342 . . . Negative Therapeutic Reactions, 346 . . . Techniques and Recourses for Handling Difficulties, 352	
20.	The Sustained and the Unsustained ...	370
	The Concept, 370 . . . Therapy, 375	
21.	Identity and a Point of Technique .....	378
22.	Failures—Legitimate and Illegitimate	387

23.	Progress and Termination .....	398
	Progress, 398 . . . Ending the Analysis, 400	
Part III	CLINICAL MATERIAL .....	409
24.	How an Analyst Thinks .....	411
25.	Working Through .....	555
APPENDIX:	A REVIEW OF RESEARCH EVIDENCE .....	783
	Definitions, Assumptions, and Hypo- theses, 785 . . . Methodological Consi- deration, 787 . . . Research Relevant to Hypotheses <i>A</i> and <i>B</i> , 794 . . . Research Relevant to Hypotheses <i>C</i> and <i>D</i> , 807 . . . .Research Relevant to Hypotheses <i>E</i> and <i>F</i> , 812 . . . Research Relevant to Hypotheses <i>G</i> and <i>H</i> , 815	
INDEX .....		837
