

CONTENTS

Acknowledgments	vii
Orthographic Note	ix
Chapter I: Introduction to Huastec Ethnobotany	1
The Historical Context of Ethnobotanical Study	2
The Object of Ethnobotanical Inquiry	7
Methods	8
Introductory Epilogue	24
Chapter II: The Huasteca-Teenek Operational Environment	27
The Natural Environment of Teenek Tsabaal	27
Huastecans: The Social Environment of Teenek Tsabaal	36
Resources and Limits for Making a Living in the Teenek Environment	49
Chapter III: Teenek Tsabaal, The Cognized Environment	56
Introduction to the Cognized World of Teenek Tsabaal	57
Teenek Science	69
Inhabited Space and Time	75
The Individual and His Strategies for Success	149
Health, "Error," and Brujería: An Arena of Conflict	209
Conclusion	254
Chapter IV: Plant Resources and Their Management: Human Response to Plants	256
Introduction	257
Roles	264
Plant Management	323
Vegetation Management Decisions: Strategic Choices	394
Chapter V: Ethnobotanical Processes: Human Impact on the Plants of Teenek Tsabaal	450
Introduction	450
The Impact of En Masse Manipulation	452
The Impact of Individual Manipulation	464
Indirect Impact	474
Summary	475
Implications for Human Impact on Tropical Moist Forests	477
Concluding Remarks	483
