

# Contents

Chapter 1. Introduction	1
Chapter 2. Upper bounds on hitting probabilities	9
2.1. Bounds on the moments of increments	10
2.2. Uniform bound on the probability density function	14
Chapter 3. Conditions on Malliavin matrix eigenvalues for lower bounds	21
3.1. Upper bounds for joint densities	22
3.2. Proof of lower bounds on hitting probabilities	27
Chapter 4. Study of Malliavin matrix eigenvalues and lower bounds	31
4.1. Study of the small eigenvalues	31
4.2. Study of the large eigenvalues	38
Appendix A. Technical estimates	47
A.1. Bounds on Malliavin norms	47
A.2. Integrated increments of the covariance function	56
A.3. Further bounds on Malliavin norms and inner-products	68
Bibliography	73
