

Contents

Preface, vii

Section I

1 Apraxia

3

H. Liepmann

1. Historical, 3
 2. Concept of Apraxia, 5
 3. Physiology and Psychology of Purposeful Movements, 8
 4. Pathology of Purposeful Movements: Clinical, 12
 5. Localization, 20
 6. Duration and Prognosis of Apraxic Disorders, 32
 7. Relationships Between Apraxia and Speech Disorders, 34
- Bibliography, 35

Section II

2 Agnosia and Apraxia

43

J. Lange

Optic Agnosia, 44

1. Historical Remarks, 44
2. Literature on Psychic Blindness, 45
3. Types of Psychic Blindness, 46
4. General Facts Concerning Optic Perception, 55
5. Psychic Blindness, 59
6. Optically Induced Alexia, 76
7. Color Agnoisa, 87
8. Agnosia for Spatial Relations—Constructional Apraxia, 91
9. Individual Syndromes of an Agnostic-Apractic Nature, 110
10. Questions of Localization, 120
11. Tactile Agnosia, 131

Apraxia, 136

1. Historical Remarks, 136
 2. Development of the Theory of Apraxia, 138
 3. Delimitation of Apraxia, 156
 4. The Physiology and Psychology of Purposeful Movement, 158
 5. Pathology of Purposeful Movements, 169
 6. Localization of Apraxia, 200
- Conclusion: Justification of the Manner of Presentation, 220
- Bibliography, 221

Section III	
Biographical Note on Otto Pötzl	229
<i>J. Luwisch</i>	
3 Anatomical Findings in a Case of Time Acceleration	231
<i>H. Hoff and O. Pötzl</i>	
Summary, 249	
4 Transformations Between Body Image and External World	251
<i>H. Hoff and O. Pötzl</i>	
Summary, 261	
Bibliography, 261	
5 “Inverted Vision” Resulting from Injury: Contribution to Cerebrally Caused Visual Disorders	263
<i>T. Luers and O. Pötzl</i>	
Bibliography, 271	
6 Pathophysiology of the Uncus-Syndrome and the Dreamlike Aura	273
<i>O. Pötzl</i>	
Summary (English Original), 284	
7 Palinopsia (And its Relationship to the Specific Performance of Occipital Cortical Fields)	285
<i>O. Pötzl</i>	
1. On Palinopsia, 285	
2. The Physiology of the Parasensory Zones, 296	
Summary, 302	
Bibliography, 303	
8 Disorders of Depth Perception in Cerebral Metamorphopsia	305
<i>H. Hoff and O. Pötzl</i>	
Summary, 318	
Bibliography, 319	
Author Index, 321	
Subject Index, 325
