Chapter 1

**Principles of Argument-Structure
Representation** 1

Chapter 2

**The Structure of Argument
Structure** 7

2.1

**Structured Argument Structure: The
Thematic Dimension** 7

2.2

**Theta-Marking and the Structure of
A-Structure** 11

2.3

**Structured Argument Structure: The
Aspectual Dimension** 19

2.4

**Consequences of Thematic and
Aspectual Prominence for
Linking** 30

2.5

**External Arguments and A-Structure
Prominence** 33

Summary 44

Chapter 3		3.1	
Nominalization	45	Ambiguity in the Nominal System	46
		3.2	
		Nominals and Event Structure	47
		3.3	
		The Lexical Representation of Nominals	63
		3.4	
		Compounds and Argument Structure	68
		3.5	
		Theta-Marking Properties of Argument-Taking Nominals	70
		3.6	
		Complements and Modifiers	91
		3.7	
		Some Conclusions on Nominalization	105
Chapter 4		4.1	
The Argument Structure of Nominals and Passives	107	Introduction	107
		4.2	
		Suppressed Positions and Argument Adjuncts	108
		4.3	
		External Arguments and Suppression	112
		4.4	
		More Evidence for Suppression	129
		4.5	
		Argument Adjuncts in Passives and Nominals	133

	4.6	
	<hr/>	
	Argument, Adjunct, or Argument Adjunct?	142
	4.7	
	<hr/>	
	Conclusion	149
Chapter 5	5.1	
<hr/>		
Argument Structure and Anaphora	Reflexive Cliticization	152
151	5.2	
	<hr/>	
	Local Anaphora and Thematic- Hierarchy Effects	158
	5.3	
	<hr/>	
	Long-Distance Anaphora and Prominence	162
	5.4
