List of Figures and Tables

Figures

4.1	Bing image generator results for ‘lawyers’ and ‘nurses’	74
4.2	Visualisations created by Lev Manovich, Google Arts and Culture, Open AI, and Google Tensorboard	80
4.3	2DCLIP visualisations created by Leo Impett	82
4.4	Example of a <i>Nachleben</i> (after-life) in the neural network	85
5.1	Image generated with Midjourney from the prompt: ‘A harbour at sunset, with several sailboats anchored on calm waters, and seagulls flying over the boats’	88
6.1	Interpretations of <i>The Arnolfini Portrait</i> by DALL·E, Midjourney, and Stable Diffusion across seven prompt variations	123
6.2	Interpretations of <i>Impression, Sunrise</i> by DALL·E, Midjourney, and Stable Diffusion	127
6.3	Interpretations of prompts inspired by Jackson Pollock’s <i>Autumn Rhythm (Number 30)</i> using DALL·E, Midjourney, and Stable Diffusion	131
6.4	Interpretations of the <i>Winged Victory of Samothrace</i> from DALL·E, Midjourney, and Stable Diffusion generated from four different prompts	135
6.5	Interpretations of Judy Chicago’s <i>The Dinner Party</i> using DALL·E, Midjourney, and Stable Diffusion	139
7.1	<i>The Hay Wain</i> , John Constable, 1821	150
7.2	<i>Ploughing Up Turnips, Near Slough</i> (‘Windsor’), J.M.W. Turner, exhibited 1809	157
7.3	<i>A Boat Passing a Lock</i> , John Constable, 1826	158
7.4	<i>Scenes from the Massacre at Chios</i> , Eugène Delacroix, 1824	159
7.5	Visualisation of the reverse denoising process with a diffusion model utilising 20 timesteps	169
7.6	A sky crop and HED edge map input pair used for fine-tuning ControlNet	173
7.7	Examples of ControlNet model outputs	174
7.8	Generated counterfactual examples for John Constable	177
7.9	Generated counterfactual examples for Rosa Bonheur	178
7.10	Further generated counterfactual examples for John Constable and Rosa Bonheur	179

8.1	Unidentified artist, <i>Crime, Children, Reform Schools: United States. New York. Freeville. George Junior Republic: George Junior Republic, Freeville, N.Y.</i> , gelatin silver print, c.1900	192
8.2	Durette Studio, <i>Untitled (men posing in pile on ground outdoors)</i> , gelatin silver negative, c.1935–c.1940	193
8.3	Edward Sheriff Curtis, <i>A Cupeño Woman</i> , photogravure, 1924	196
8.4	Unidentified artist, <i>Untitled (reproduction of engraving of George Washington)</i> , daguerreotype, c. 1840–c.1860	197
8.5	Unidentified artist, <i>Untitled (waterfall near Gössl, Austria)</i> , gelatin silver print, c.1890–c.1915	199
8.6	Unidentified artist, <i>Untitled (portrait of Betty Armory Bartlett, later Mrs. John McAndrew, as a young girl)</i> , autochrome, c. 1911	201

Tables

6.1	Prompts for generating AI interpretations of artworks	144
7.1	Quantitative results for the artist models	172
7.2	t-test results for the bootstrapped datasets	172
7.3	Mean and standard deviation for the J. Constable–L. Constable and J. Constable–Valenciennes distributions	172
