*Strategy in the Emerging Enterprise: Emergent Strategies
and Entrepreneurship* 22

Why You Need to Know About Strategy 23

Summary 24

Challenge Questions 26

Problem Set 26

End Notes 27

CHAPTER 2 Evaluating a Firm's External Environment 28

Opening Case: Competing College? 28

Understanding a Firm's General Environment 30

The Structure-Conduct-Performance Model of Firm Performance 33

*Ethics and Strategy: Is a Firm Gaining a Competitive
Advantage Good for Society?* 34

The Five Forces Model of Environmental Threats 35

The Threat of Entry 36

*Strategy in Depth: The Five Forces Framework and
the S-C-P Model* 37

The Threat of Rivalry 42

The Threat of Substitutes 43

The Threat of Powerful Suppliers 44

The Threat of Powerful Buyers 46

The Five Forces Model and Average Industry
Performance 47

Another Environmental Force: Complementors 48

*Research Made Relevant: The Impact of Industry
and Firm Characteristics on Firm Performance* 49

Industry Structure and Environmental Opportunities 50

Opportunities in Fragmented Industries:
Consolidation 50

Opportunities in Emerging Industries: First-Mover
Advantages 51

Opportunities in Mature Industries: Product
Refinement, Service, and Process Innovation 53

*Strategy in the Emerging Enterprise: Microsoft
Grows Up* 55

Opportunities in Declining Industries: Leadership,
Niche, Harvest, and Divestment 57

Summary 59

Challenge Questions 61

Problem Set 61

End Notes 62

CHAPTER 3 Evaluating a Firm's Internal Capabilities 64*Opening Case: Has eBay Lost Its Way?* 64**The Resource-Based View of the Firm 66**

What Are Resources and Capabilities? 66

Critical Assumptions of the Resource-Based View 67

Strategy in Depth: Ricardian Economics and the Resource-Based View 68**The VRIO Framework 68**

The Question of Value 69

Strategy in the Emerging Enterprise: Are Business Plans Good for Entrepreneurs? 71*Ethics and Strategy: Externalities and the Broader Consequences of Profit Maximization* 73

The Question of Rarity 75

The Question of Imitability 76

Problem Set	128
End Notes	129

CHAPTER 5 Product Differentiation 130

<i>Opening Case: Who Is Victoria, and What Is Her Secret?</i>	130
What Is Product Differentiation?	132
Bases of Product Differentiation	133
<i>Research Made Relevant: Discovering the Bases of Product Differentiation</i>	135
Product Differentiation and Creativity	139
The Value of Product Differentiation	139
Product Differentiation and Environmental Threats	139
<i>Strategy in Depth: The Economics of Product Differentiation</i>	140
Product Differentiation and Environmental Opportunities	141
Product Differentiation and Sustained Competitive Advantage	142
Rare Bases for Product Differentiation	142
<i>Ethics and Strategy: Product Claims and the Ethical Dilemmas in Health Care</i>	143
The Imitability of Product Differentiation	144

Organizing to Implement Product Differentiation	149
Organizational Structure and Implementing Product Differentiation	150
Management Controls and Implementing Product Differentiation	150
<i>Strategy in the Emerging Enterprise: Can Only Small Firms Be Innovative?</i>	151
Compensation Policies and Implementing Product Differentiation Strategies	154
Can Firms Implement Product Differentiation and Cost Leadership Simultaneously?	154
No: These Strategies Cannot Be Implemented Simultaneously	155
Yes: These Strategies Can Be Implemented Simultaneously	156
Summary	157
Challenge Questions	159
Problem Set	159
End Notes	160

End-of-Part 2 Cases

Case 2-1: JetBlue Airways	PC 2-1
Case 2-2: Nucor in 2005	PC 2-15
Case 2-3: The Levi's Personal Pair Proposal	PC 2-38

Case 2-4: Papa John's International, Inc.: Twenty-First Century Growth Challenges	PC 2-48
---	---------

Part 3: CORPORATE STRATEGIES

CHAPTER 6 Vertical Integration 162

<i>Opening Case: Outsourcing Research</i>	162
What Is Corporate Strategy?	164
What Is Vertical Integration?	164
The Value of Vertical Integration	165
<i>Strategy in Depth: Measuring Vertical Integration</i>	166
Vertical Integration and the Threat of Opportunism	167
Vertical Integration and Firm Capabilities	169
Vertical Integration and Flexibility	170
Applying the Theories to the Management of Call Centers	171
<i>Research Made Relevant: Empirical Tests of Theories of Vertical Integration</i>	172
Integrating Different Theories of Vertical Integration	174
Vertical Integration and Sustained Competitive Advantage	174

The Rarity of Vertical Integration	175
<i>Ethics and Strategy: The Ethics of Outsourcing</i>	175
The Imitability of Vertical Integration	177
Organizing to Implement Vertical Integration	178
Organizational Structure and Implementing Vertical Integration	178
<i>Strategy in the Emerging Enterprise: Oprah, Inc.</i>	179
Management Controls and Implementing Vertical Integration	180
Compensation in Implementing Vertical Integration Strategies	181
Summary	184
Challenge Questions	186
Problem Set	186
End Notes	187

CHAPTER 7 Corporate Diversification 188

<i>Opening Case: The Worldwide Leader</i>	188
What Is Corporate Diversification?	190
Types of Corporate Diversification	190
Limited Corporate Diversification	190
Related Corporate Diversification	191
Unrelated Corporate Diversification	193
The Value of Corporate Diversification	193
What Are Valuable Economies of Scope?	193
<i>Research Made Relevant: How Valuable Are Economies of Scope, on Average?</i>	194
<i>Strategy in the Emerging Enterprise: Gore-Tex and Guitar Strings</i>	201
Can Equity Holders Realize These Economies of Scope on Their Own?	209

<i>Ethics and Strategy: Globalization and the Threat of the Multinational Firm</i>	210
Corporate Diversification and Sustained Competitive Advantage	211
<i>Strategy in Depth: Risk-Reducing Diversification and a Firm's Other Stakeholders</i>	212
The Rarity of Diversification	213
The Imitability of Diversification	214
Summary	215
Challenge Questions	217
Problem Set	217
End Notes	218

CHAPTER 8 Organizing to Implement Corporate Diversification 220

Opening Case: Tyco Ten Years On 220

Organizational Structure and Implementing Corporate Diversification 222

The Board of Directors 223

Strategy in Depth: Agency Conflicts Between Managers and Equity Holders 225

Research Made Relevant: The Effectiveness of Boards of Directors 226

Institutional Owners 227

The Senior Executive 228

Corporate Staff 229

Division General Manager 231

Shared Activity Managers 232

Management Controls and Implementing Corporate Diversification 233

Evaluating Divisional Performance 234

Allocating Corporate Capital 237

Transferring Intermediate Products 238

Strategy in the Emerging Enterprise: Transforming Big Business into Entrepreneurship 241

Compensation Policies and Implementing Corporate Diversification 242

Ethics and Strategy: CEO Compensation and the Credit Crisis of 2008 242

Summary 244

Challenge Questions 245

Problem Set 245

End Notes 246

CHAPTER 9 Strategic Alliances 248

Opening Case: Who Makes Video Games? 248

What Is a Strategic Alliance? 250

How Do Strategic Alliances Create Value? 251

Strategic Alliance Opportunities 251

Strategy in Depth: Winning Learning Races 254

Research Made Relevant: Do Strategic Alliances Facilitate Tacit Collusion? 257

Alliance Threats: Incentives to Cheat on Strategic Alliances 258

Adverse Selection 258

Moral Hazard 259

Holdup 260

Strategy in the Emerging Enterprise: Disney and Pixar 261

Strategic Alliances and Sustained Competitive Advantage 262

The Rarity of Strategic Alliances 262

The Imitability of Strategic Alliances 263

Ethics and Strategy: When It Comes to Alliances, Do "Cheaters Never Prosper"? 264

Organizing to Implement Strategic Alliances 267

Explicit Contracts and Legal Sanctions 267

Equity Investments 268

Firm Reputations 270

Joint Ventures 271

Trust 271

Summary 272

Challenge Questions 273

Problem Set 273

End Notes 274

CHAPTER 10 Mergers and Acquisitions 276

Opening Case: A Merger Mystery 276

What Are Mergers and Acquisitions? 278

The Value of Mergers and Acquisitions 279

Mergers and Acquisitions: The Unrelated Case 279

Mergers and Acquisitions: The Related Case 280

What Does Research Say About Returns to Mergers and Acquisitions? 284

Strategy in the Emerging Enterprise: Cashing Out 285

Why Are There So Many Mergers and Acquisitions? 286

Strategy in Depth: Evaluating the Performance Effects of Acquisitions 288

Mergers and Acquisitions and Sustained Competitive Advantage 289

Valuable, Rare, and Private Economies of Scope 290

Valuable, Rare, and Costly-to-Imitate Economies of Scope 291

Unexpected Valuable Economies of Scope Between Bidding and Target Firms 292

Implications for Bidding Firm Managers 292

Implications for Target Firm Managers 297

Organizing to Implement a Merger or Acquisition 298

Post-Merger Integration and Implementing a Diversification Strategy 298

Special Challenges in Post-Merger Integration 298

Research Made Relevant: The Wealth Effects of Management Responses to Takeover Attempts 299

Summary 303

Challenge Questions 304

Problem Set 304

End Notes 305

CHAPTER 11 International Strategies 306

Opening Case: The Russians Are Coming 306

Strategy in the Emerging Enterprise: International Entrepreneurial Firms: The Case of Logitech 308

The Value of International Strategies 309

To Gain Access to New Customers for Current Products or Services 310

Internationalization and Firm Revenues 310

Strategy in Depth: Countertrade 314

Internationalization and Product Life Cycles 315

Internationalization and Cost Reduction 316

To Gain Access to Low-Cost Factors of Production 316

Raw Materials 316

Labor 316

Ethics and Strategy: The Race to the Bottom 317

Technology 318

To Develop New Core Competencies 318

Learning from International Operations 319

Leveraging New Core Competencies in Additional Markets 320

To Leverage Current Core Competencies in New Ways 321

To Manage Corporate Risk 321

Research Made Relevant: Family Firms in the Global Economy 322

The Local Responsiveness/International Integration Trade-Off 323

The Transnational Strategy 325

Financial and Political Risks in Pursuing International Strategies 325

Financial Risks: Currency Fluctuation and Inflation 325

Political Risks 326

Research on the Value of International Strategies 328

International Strategies and Sustained Competitive Advantage 328

The Rarity of International Strategies 329

The Imitability of International Strategies 330

The Organization of International Strategies 331

Becoming International: Organizational Options 331

Summary 338

Challenge Questions 339

Problem Set 339
